EDUCATION

NIET, GREATER NOIDA, U.P.   **AUG 2022 – JUNE 2026**
B.Tech in Information Technology – 7 CGPA
G.V.I.C, PRAYAGRAJ   **APR 2020 – JULY 2021**
Class XII – 82%
G.V.I.C, PRAYAGRAJ   **MARCH 2018 – APRIL 2019**
Class X – 77%

RELEVANT SKILLS

- Data Structures & Algorithms
- OOPS With Java
- DBMS
- Machine Learning

EXPERIENCE

Brainwave Matrix Solutions – SQL/Database Management Intern (Remote)   *Tech: SQL, MySQL*
July 2025 – Present

- Working on real-world database projects involving SQL queries, schema design, and data management.
- Gaining hands-on experience in relational databases through remote collaboration and live tasks.

PROJECTS

⬡ **Secure File Sharing System**   *Tech Stack: Django, HTML, CSS, JavaScript, JWT, SQLite*

- Built a secure file-sharing web app with two roles: Ops (upload) and Client (download).
- Integrated email verification during registration using Django's email backend.
- Used JWT authentication for secure login/logout.
- Allowed Ops users to upload files, and Clients to access secure, time-limited download links.
- Created REST APIs for user auth, file upload, and secure downloads.
- Connected frontend using simple HTML, CSS, and JavaScript.

Automated Attendance Management System using Face Recognition *Tech Stack: Python, HTML, CSS, JavaScript, SQL*

- Developed a biometric-based attendance system using facial recognition technologies.
- Built a responsive web interface using HTML, CSS, and JavaScript.
- Implemented interactive features including real-time attendance updates, form validation, and scheduling.
- Used SQL for storing student data, face encodings, and attendance records securely.

TECHNICAL SKILLS

Languages: Java, Python, SQL, JavaScript
Technologies/Frameworks: HTML, CSS, Django, MySQL, Express, Node.js
Developer Tools: VS Code, Git, GitHub, Figma

ACHIEVEMENTS

Solved 150+ DSA questions in JAVA across platforms.
Achieved Leetcode 50 days badge 2025.

CERTIFICATIONS

- Java Programming: Arrays, Lists, and Structured Data - Duke University
- Python for Data Science, AI Development - IBM
- Database Management System - Infosys Springboard

POSITION OF RESPONSIBILITY

Zenith – Programming Club of NIET   **Core Member**

- Promoted a collaborative coding and development environment within the college.
- Encouraged participation and skill enhancement among peers, seniors, and juniors.
